Run 2428

All gathered at Pick Up & Self Abuses lovely establishment on a typical tropical night.
After a good warm up the runners/joggers & walkers where Off!!
As far as that went -can't remember a fkn thing – asked for some info from On Sec – Well!! – She obviously drank from the same pond and couldn't help – no recollection – so doing what the GM does and make it up as I go along.
Runners/walkers/trotters all unhappy - no drink stop - and who the fk can read German??
Circle called – very average - very few charges from the floor, GM resorted to calling out randoms to make charges to keep things going I.e., make it up as you're going along.
Scrubber calling Self Abuse 'Suds' was deliberate – She was thirsty and broke, but was greeted with a Tun, and the disappointment showed.
Raffle was drawn-one false start from Wart claiming his win – only to be thwarted by a 'go fuck yourself ', from Scissors – the true ticket holder.
Erectus – AWOL – Twitter - return it even on the chance you will receive it again.
Prick of the week – AWOL - Tool Squeezer – time to bring back your security blanket
Good josh, great nite.

Legends

What happens when you become a TVH3 life member (legend) - 1000 or more runs with TVH3?

- You are not required to pay the weekly fee (currently $4)
- You are required to pay the full amount for the
  - Celebration Run
  - Red Dress Run
  - Xmas Run
- You are required to pay half of the AGPU amount.
- You receive a patch for each 50 runs you accumulate
- You no longer receive a shirt for each 100 runs after your 1000 th run.

(Instead of receiving a shirt you pay half of the AGPU amount).
NB The cost of a shirt is approximately equivalent to the half costs of 3 AGPU's and as it takes the average hash person around 3 years to accumulate 100 runs this is basically cost neutral to TVH3.
