Mother Duck and Hemroid

(missed printing deadline for last weeks trash)

Hashers young and old, mostly old, gathered at the Bhole Big Bad Shed of Mother Duck and Hemroid. The 2 runners Serenity and Wart gave each other the runs whilst the 2 trotters were at risk of getting the trots from drinking from the public drinking fountain provided at the drink stop.

Charges for Captain for not much, Hemroid stuck on the ice and could no longer stir the pot so Mother Duck remained the responsible one and fed us all. Serenity didn't listen when Scissors said go fuck yourself then couldn't remember his charge.

Raffles were drawn with Benta Beak showing signs of premature ejaculation and doing his victory dance only to be reminded that he shoulda gone to spec savers as the usual raffle slut Wart won again.

Good nosh of smashed hot garlic potatoes and brown stew. Very tasty. On ya new GM for keeping the hashers in line just pump up the volume.

Oh yeah. POW to Captain for coming unstuck

RUN REPORT – 2235

El Dringo and Think Big

The most popular venue of Hash in recent months at Currajong delight, Think Big & El Dringo invited hashers again to their party house. Runners were sent off to touring of surrounding suburbs including picturesque Anderson Park, trotters had a quick stop at Mater Hospital to check their heart rates as a half way point, walkers were enjoying bush walk on the well maintained walk way through the drain nearby.

The circle was held as usual around 7:30pm and lots of charges including a number of fish finger hashers, mates of Golden Showers, and send off of Crappa who is off to a Bundaberg fish farm with a classic gauntlet run.

Erectus is still missing in action, but near new POW was handed to Hot 4 Male from Captain because of something to do with the Web site. Yummy nosh was served as always and a great night had by all except us... due to some mechanical issue, it took nearly one hour to get home as driving 20km an hour. Good news is we have managed the trailer unharmed. It was a great night but also big night for us. Once again, well done hares.

A man and his wife moved back home to Cork, from London. The wife had a wooden leg and to insure it in Britain was £2000.00 a year! When they arrived in Cork, they went to an Insurance agency to see how much it would cost to insure the wooden leg. The agent looked it up on the computer and said to the couple, '€39.00.' The husband was shocked and asked why it was so cheap here in Ireland to insure, because it cost him £2000.00 in England! The agent turned his computer screen to the couple and said, 'Well, here it is on the screen, it says:

Any wooden structure, with a sprinkler system over it, is €39.00.'
