## Betty Barefoot & Black n Decker

After assembling at the popular Kitchener st light show home of Black n Decker and Betty Barefoot the runners walkers and trotters left single file while the usual circles gathered around the trailer.

Seemed to be a long run but was assured nobody was left behind to be buried at the cemetery after crashing down the C hill.

Plenty of drinks and more ice, thanks brewmeisters, to be had still cheap as chips. Tell your drinking (walking/running) buddies to come along. 1 virgin buddy Dave came to see what all the Circle up down down and on the ice cult talk was all about and was glad he did.

Some hungover golfers playing air hockey earned Azaria the POW shirt from Benta Beaks back but the bare belly bominated. Some down downs for various good reasons I'm sure but cant recall them. Got Covid brain fog.

Inn-Bread & Acting GM Booger was nice enough to return my lost pannikin on ice. Very uncomfortable if the handle is facing up. Benta won the major prize raffle which gave us the opportunity to be entertained by the original victory dance from the geriatric bent man. I'm informed he is enjoying uncle Dan's good drop of red right now.

Nibblies and Dinner as usual cheap but not nasty. Bloody yummy in fact and plenty of it. Thanks BB.

Exercise, ears to hear, beer, entertainment, entries in prizes and great eats. Cheers! What more could you want. So come all ye virgin's to this thing we call Hash House Harriers.

On On to Shocker & Orgasm's (always a good thing) next week  
Pink Bits

A farmer goes in half with a friend to buy a bull so he can increase his stock. A couple of weeks later the friend comes by to see how his investment is doing. The farmer complains that the bull just eats grass and won't look at the cows. His friend suggests that a veterinarian have a look at the bull. The following week his friend returns to see if the vet helped. The farmer looks delighted: "The bull has taken care of all my cows, broke through the fence, and has even serviced all my neighbour's cows! "Wow," says his friend, "what did the vet do to that bull?" "Just gave him some pills" said the farmer.

"What kind of pills?" asked his friend. "I don't know, but they sort of taste like peppermint."

A husband and wife are shopping in their local Wal-Mart.

The husband picks up a case of Budweiser and puts it in their cart. 'What do you think you're doing?' asks the wife. 'They're on sale, only \$10 for 24 cans,' he replies.

'Put them back, we can't afford them,' demands the wife, and so they carry on shopping.

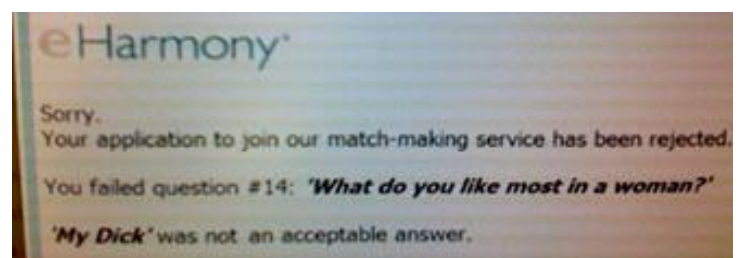

A few aisles further on along the woman picks up a \$20 jar of face cream and puts it in the basket.

'What do you think you're doing?' asks the husband.

'It's my face cream. It makes me look sexy and beautiful for you when we're making love,' replies the wife.

Her husband retorts: 'So does 24 cans of Budweiser ... at half the price.'
