Run 2457 – Mother Duck & Hemroid – Nth Shore Hotel & Clay St, Bohle

Well, it’s early Sunday morning and still no words from this week’s scribe, so it looks like the “stand-in *Quill*” again to report on a “Run with Vision”.

Runners, trotters, walkers, lilliput and some trailer trash gathered at North Shore Hotel for a first-time event. The rest deposited themselves at *Mother-Duck and Hemroids’*. *Duck* kicked us all off around the pub at six on a particularly cold and windy evening.

Run and walk were great. Mostly following a virgin path that cruised through the suburb and close to one of the local watercourses – which was good since it was pretty dark. After just on 30 minutes of exercise it was back to the carpark, into our vehicles and back to Clay St for the usual fun, frivolity and bullshit.

Here it was cold enough to freeze the nuts off a jeep – which wouldn’t have been a problem with all the stuff around *Hemroid’s*. Snacks and drinks preceded a very pleasant dose of “Punkin’ soup” while everyone gathered around the non-existent fire. (*Quill* has never seen *Cat-Blew* so “down”!!!!)

Main topic of conversation seemed to be the Herberton Hash event over the weekend, before the *GM* started their (see: *Quill* is “politically aware”) usual diatribe, charges, raffles &c. *PoW* went to *Blow Back* and *Wart* was gifted the Erectus. The only other bit of info *Quill* can remember was *Bentabeak* celebrating winning the Murphy Voucher and phuckin’ near killing himself with another “dance”.

Good nosh of curried snags followed before adjourning to the nearest fire unfortunately meant departing.

All-in-all a great concept, *Hemroid and Duck* – Well worth a repeat – though, please, on an evening with more electromagnetic radiation – both short- and long-wave (light and heat). (Clever, eh!!!)

On on to *Kung Poo & Pussy Lanes’* – always an early night. (Gee some people talk bullshit) . . . *Quill*.

When I was young I decided I wanted to be a doctor, so I took the entrance exam to go to medical school

One of the questions asked was to rearrange the letters PNEIS into the name or an important human body part which is most useful when erect.

Those who put “spine” are doctors today.

The rest of us are sending jokes via email.
