Run 2459 -- Knicka-Less & Shag -- Gulliver

So the GM decided to punish her best student who can't read or write to have him write an essay, thanks very much! Some retard wants to be a weather guesser what gave me the prick shirt set the trail, GM & Shag served up the grub. The brewmeister Mother Duck didn't put enough XXXX Gold in the piss trailer, so the scribe had to steal TEDs from Bentabeak. Touchup who wants to be the teacher's pet gave the GM a bottle of SA port. The POW was given to Think Big for singing out of tune in Herberton. Erectus MIA. Fun spoiler won the raffle "AGAIN". It was great to see the fish enjoying rum & coke. On On Hemroid

The next time you dislike your life, remember it's all about perspective. I have a friend who reads 2-3 books a week, works out twice a day, has no financial worries, and has people who want to have sex with him all the time. And yet he constantly complains about how much he hates prison.

"Silly dear, it's about time we had a little talk about where babies come from."

"Sure, that's fine," said Sally to her mum. "But what I really would like to know is how you fake an orgasm."

Several fathers were talking in a bar:

One said he had enough kids for a basketball team.

Another had six sons, enough for an ice hockey side.

A third had nine sons and they could make up a baseball team.

One little bloke piped up and stole the show by stating that he could lay his eighteen daughters out and make a great golf course.
