## Run 2461 – Myndee St – Oral C

A good sized pack turned up at Myndee St. At 6pm runners, trotters and walkers were released into the wilderness of Vincent. The trailer trash continued to dribble Shitte.

Runners, Trotters and walkers met up at the disco light drink stop behind the Dog park. Then on home with nobody getting mugged or lost.

Circle was called Eventually. Certificates of appreciation presented to the deserving helpers at the celebration run. Numerous 50 and 100 patches and a shirt were awarded. 1000 legend achieved by *Hemroid*.

The usual charges and down downs handed out. *Catblew* received the prick of the Weak after the Colliwobbles received a mauling by the Lions. Go the LIONS.

Raffle up with numerous prizes to some lucky pricks not me.

Nosh was tuna and boganase pastas which were very tasty.

Well done *Oral C*.  
On On *Cuttlefish*.

WARNING: To the person who stole my glasses ... I will find you – I have contacts!

*Scissors*: I have blisters on my hands from the broom.  
*Serenity*: Next time take the car, silly!

*Azaria* went to visit a psychic. He knocked on her door and she yelled, "Who is it?"  
So he left!

*Oral C* went to a sex shop and asked for the dildo featured on the wall.  
They asked her to select another product – That was the Fire Extinguisher

*Captain* was visiting *Bentabeak* who had just got two new dogs. He asked him what their names were? *Benta* said, "One's called Rolex, and the other's Timex."  
"Whoever heard of giving dogs names like that?" said *Captain*.  
"Hello!" said *Benta*. "They're watch dogs!"

*Wetcheques*: "What do you know about atoms?"  
*Masterbates*: "Very little."  
*Wetty*: "Besides that."
