 send to Blow Back – BY **THURSDAY** NIGHT PLEEZE

## Run 2464 – Shocker & Orgasm – Bokirana Cres, Kirwan

The pack gathered in the backyard of **Orgasm's & Shocker's** abode as a reasonable size gathering prepared for the night's activities.

Right on six, **Shocker** gathered the pack and then released them to take in the sites of Kirwan and Heatley. The running pack led by **Serenity, Shit Happens, BJ and myself** headed towards Mill Dr where we found the **Twatters** led by **Blowback** who then convinced **BJ** that **Twatters** have more fun.

The walkers led by **Cuttlefish** wandered through the streets looking for Tapiolas Park and **Shocker** with his Midori infused drink stop which hit the spot with the thirsty walkers as very little was left for the runners.

**Shit Happens** and I have arranged an appointment at Specsavers for **Serenity** to wear night vision glasses to allow better map reading to avoid a longer run than required.

The **GM** with the assistance of the **JM** gathered the pack together for the evening's proceedings. The Hares enjoyed the first of the Down Downs. The **POW** was passed onto **Serenity** and the **Erectus** went to one of our new runners (Staka Man).

**Shit Happens** and his willing cast of singers that included **Suzie Wong, BJ, Captain, Blowback and Slash** entertained us all with a moving tribute to **Azaria**.

Nosh was served by our hosts - a good night was had by all.

On On **Ewok**

After being married for 30 years, a wife asked her husband to describe her.

He looked at her for a while, then said, "You're an alphabet wife . . . A, B, C, D, E, F, G, H, I, J, K."

She asked, "What the hell does that mean?"

He said, "Adorable, Beautiful, Cute, Delightful, Elegant, Fabulous, Gorgeous, and Hot."

She smiled happily and said, "Oh, that is SO lovely. But what about the I, J, K?"

He said, "I'm Just Kidding!!!"

Memorial service is Wednesday afternoon.

So let me get this straight:

I go to the grocery store and buy 500g of sliced ham, wrapped in plastic, a loaf of bread in a plastic bag, two litres of milk in a plastic bottle, a pack of napkins wrapped in plastic, a Greek salad in a plastic container, a plastic bottle of mustard and a plastic bottle of tomato sauce . . . and they won't give a plastic bag to carry it home because the plastic bag is bad for the environment!?!?!?!?!?
