Run 2466 – Hercules & Oral C – Hercules’s abode – 6 Bailey Cres, Rassmussen

The usual Rabble gathered at Hercules abode for our Monday Night get together.

Oral C called ON ON at 6pm and the Runners, Twatters and Walkers were sent off on our various Trails.

We turned Left into Feeney St and passed a couple of Streets before again turning Left in a Court that had an Easement at the end of it. We went through the Easement and got to Glenrock Drive where we walked to Glenrock Park where we found *Oral C* waiting with Alcoholic and Non-Alcoholic Drinks.

She had promised us a Tunnel of Love but apparently, this was only for the Runners. It was ON ON Home from here back to Hercule’s home for a few celebratory drinks and some nibblies.

As our GM was away, *BOOGER* stood in as Acting GM.

Several DOWN DOWN’S were given out. The POTW was absent so Hercule’s unsuspecting Neighbour was given the ERECTUS.

Bentabeak told one of his jokes. At least this one was OK Funny.

Following the Circle, *Hercule’s* provided a sumptuous feast of Cob Loaf and Lasagne. Both Delicious.

As usual, a very enjoyable night was had by all.

ONO BALLSY

Putin visits a clairvoyant and asks if she can see what’s going to happen in the near future.

She says “I can see you drive in a big limousine through a large crowd, the people are happy, laugh and jump for joy, all have cuddles and big smiles on their faces.

Putin asks “Am I waving back to them?”

No she says “the coffin is closed”.

Proof that Men Have Better Friends...

Friendship among Women:

A woman didn’t come home one night. The next morning she told her husband that she had slept over at a friend’s house. The man called his wife’s 10 best friends. None of them knew anything about it.

Friendship among Men:

A man didn’t come home one night. The next morning he told his wife that he had slept over at a friend’s house. The woman called her husband’s 10 best friends. Eight confirmed that he had slept over, and two said he was still there.

Eating vegan is a recipe for health and longevity, says these four 28 year old vegan nutritionists.

A Scotsman and his wife walked past a swanky new restaurant.

“Did you smell that food?” she asked. “It smells absolutely incredible!”

Being a kind-hearted Scotsman, he thought, “What the hell . . . I’ll treat her!”

So they walked past the restaurant again.

The Charm of Irish Pub Hospitality

Two Irishmen went into a put in Dublin and asked for two pints of Guinness.

The Barman, cleaning the tables said, “Sorry. We don’t open for another hour.”

One of the men asked, “Mind if we wait?”

“No,” said the Barman. “Would you like a pint while you’re waiting?”
