Run 2467 – Hot-4-Male & Tyson – Church St, Mundingburra

The ratpack assembled in the Burra and *Cuttle* and the fireflies led us on a loooong walk, working up quite a thirst, so back to the trailer for a well-earned beer or two.

We had visitors to have another beer with, and long-time no-see'ers *Duncan* and *Daisy* to have a catch up beer with.

Great circle with THE Monk appearing to welcome our newest member *G-string*. Cheers and another beer to celebrate.

SHappens did show us all his g-string which required another beer to recover from.

Raffle up with *SC* scooping the pool with drink tokens AND Uncle Dans voucher. Cheers *SC* – I will have another beer thanks.

Great nosh as always from *Hotfa* and *Tyson* and icy cold beers from our lovely bar wench *Hemy*.

Top nite (and did I mention the beer?)

ON ON, *Oral C*. (Cheers – I will drink to that!)

Copit reckons this fella looks familiar!

When asked for the similarities between women and alcohol, Shakespeare said, “They both have the amazing quality of giving Pleasure at night and Headache in the morning!”

When I drink alcohol everyone says I’m an alcoholic-
When I drink fanta no one says I’m fantastic.

BREAKING NEWS: A man was killed by a shark while on honeymoon in the Whitsundays. Reports say he didn’t suffer for too long – he had only been married for five days.

Larry is in the hospital . . .

Who the hell is Larry?

Well Larry is the bloke who gets home late one night and Linda, his wife, says “Where the hell have you been?”

Larry replies, “I was out getting a tattoo.”

“A tattoo,” she frowned. “What kind of tattoo did you get?”

“I got a hundred dollar bill on my penis,” he said proudly.

“What the hell were you thinking?” she said, shaking her head in disgust. “Why on earth would a Chartered Accountant get a hundred dollar bill tattooed on his penis?”

“Well, one, I like to watch my money grow. Two, once in a while I like to play with my money. Three, I like how money feels in my hand. And, lastly, instead of you going out shopping, you can stay right here at home and blow a hundred bucks anytime you want.”

Larry is currently in the TGH Intensive Care Unit being looked after by *Kung Poo* and *Pussy Lane*.
