Run 2468 – Serenity & Scissors – Campbell St Hermit Pk

About 50 Hashers turned up at Scissors and Serenity's place. Fine weather and good trail, all going well, until.... Mother Duck took a tumble on the Twatters run and went in face first, ending up with a chipped tooth and a badly bruised lip. Hope all is well. First casualty for a while. At least it didn't end up with an ambulance like Tyson at Dringo and Think Big's place! Drink stop was a port concoction, at the back of the Hermit Park school. Great nosh, plenty of it, as well as something for us vegetarians.

Good circle. Erectus still MIA with Herc's neighbour. Tyson gave POW shirt to G-String, and a drink to Schappens for putting his sticker on the aircon last week. Benta's jokes continue to get better.

Hotson.

Question without notice: The theme for this run was “Odd Ball”. This was the first TVH3 run to qualify for that theme. (Or was it?) What should be the next two runs that will also qualify? . . . ed.

A grade three teacher is giving a lesson on nutrition, and she decides to ask her students what they had for breakfast. To add a spelling component, she asks the students to also spell their answers.

Susy puts up her hand and says she had an egg -- 'E-G-G'

'Very good', says the teacher.

Peter says he had toast -- 'T-O-A-S-T'.
'Excellent.'

Johnny has his hand up and the teacher reluctantly calls on him. 'I had bugger all', he says, 'B-U-G-G-E-R-A-L-L'.

The teacher is mortified and scolds Johnny for his rude answer.

Later when the lesson turns to geography, she asks the students some rudimentary questions.

Susan correctly identifies the Capital of Canada. Peter is able to tell her which ocean is off Canada's east coast.

When it's Johnny's turn, the teacher remembers his rude answer from the nutrition lesson, and decides to give him a very difficult question. Johnny, she asks, 'Where is the Pakistani border?'

Johnny ponders the question and finally says: "The Pakistani boarder is in bed with my mother. That's why I got bugger all for breakfast"

The Institute of Unfinished Business has concluded that 6 out of 10 people
