**RUN REPORTS – generuss@optusnet.com.au Ph: 0421 658 021
 send to Blow Back – BY **THURSDAY** NIGHT PLEEZE**

**Run 2469 – Booger & Blow Back – Kirwan
(Co-Run with the TVH3 46th Birthday Bash)**

Finally summer is here and don't we love it. More piss miss. Booger kindly donated his shady haven on the Drive to celebrate some pricks' birthdays and commemorate TVH3's 46th birthday as well. And what a run and walk. The local constabulary lined the streets to watch the motley procession pass by and also arrested a few over-zealous spectators. Better than last week's mixed lillipution lightweight bout between **BLOWBACK** and **MOTHER DUCK**.

After the customary perimeter walk/run around the Kirwan holding yards, it was back to **BOOGER**'s for the customary bullshit and booze, so kindly subsidised by **GM KNICKA-LESS**. The shouts were cheap, but not as cheap as the crap flowing out of the mouths of some of the beer trailer's share-holders. And the night was only young. Not as young as those who downed their birthday wishes, and not as quiet as **HERCULES** who spoke on everyone's behalf all the way through the circle.

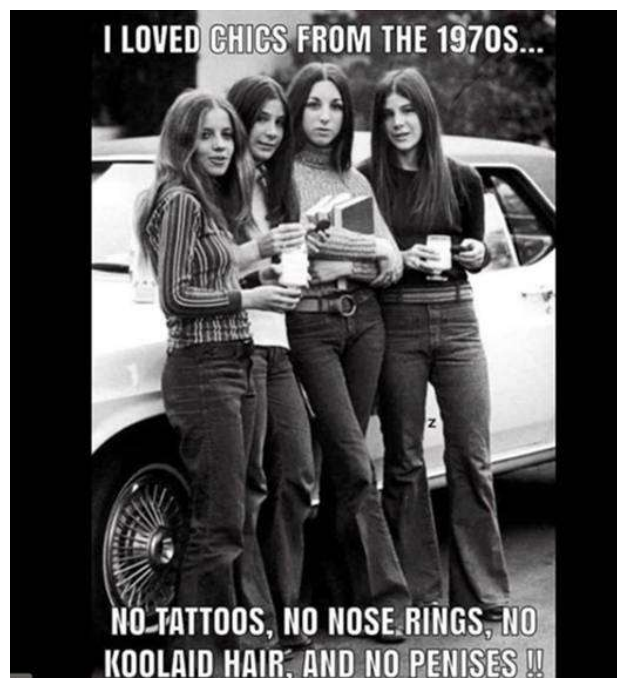

Even the **GM** couldn't get a word in. Didn't she look great next to **SHAG** both in their birthday suits. And in the midst of **HERCULES** yoga chanting she had forgotten one golden rule – don't let the **ERECTUS** get lonely. So as a kind reward she was awarded the beloved spout for another week. And **G-STRING** had become attached to the **PRICK OF THE WEEK** and asked if he could wear it for another week. Wish granted by **GM**.

It seems that **BOOGER** had trouble with his hands on the night as his dearest sweated over the hot nosh and he conned **SERENITY** into acting **JM**. **SERENITY** had no idea of his impending "LIGHT" show when **CATBLEW** came forward and lit the birthday candles surrounding his forehead. She commented that it suited the 'hood. After the fire brigade retreated the booze flowed freely again and the night turned into quite a celebration.

A world record was achieved on the rigged raffle front with us poor bastards not winning again for **152** weeks straight, a record **\$175** earned, and **SLASH**, **CATBLEW**, **TYSON**, **HOTFA**, and the perennial **WART** all winning big again. The night ended, the crowd left, and we left **BOOGER** with the dishes, a reward well-earned.

ON ON til next week

SERENITY

Subject: Service?

I'm confused about the word 'service' used by these organisations:

- Banking 'Service'
- Postal 'Service'
- Telephone 'Service'
- Internet 'Service'
- Local Council & State Government 'Service'
- Airline 'Service'
- Federal Government 'Service'.

What they actually provide for us is not what I think 'Service' means.

However, recently I visited my uncle who's a farmer, and he hired a bull to 'Service' his cows.

Suddenly, it all became clear! I now understand what all these organisations are doing to us!

AN INTERESTING "TO DO" EXERCISE

This will take you only about ten seconds and amazingly, it will reveal your all-time favourite movie.

DO NOT cheat. DO YOUR maths, THEN compare the results on the list of movies available on page 3 of the web version of this week's trash. You will be AMAZED at how true and accurate this test is:

1. Pick a number from 1 to 9.
2. Multiply that number by 3.
3. Add 3.
4. Multiply by 3 again.
5. Your total will be a two-digit number. Add the first and second digits together to find your favourite movie (of all time) in the list of 17 movies on page 3 of the web version of this week's trash.

Movie List:

1. Gone With the Wind
2. E.T.
3. Blazing Saddles
4. Star Wars
5. Forrest Gump
6. The Good, the Bad, and the Ugly
7. Jaws
8. Grease
9. The ALBO Resignation Speech
10. Casablanca
11. Jurassic Park
12. Shrek
13. Pirates of the Caribbean
14. Titanic
15. Raiders of the Lost Ark
16. Home Alone
17. Mrs. Doubt fire

... Now, isn't that something?
