Run Report 2472 – Sudden Insane & Notso Insane – Chauncy Cres, Douglas

We all gathered in Douglas on the usual Monday night for the 2472 TVH3 Run and my 39th Run as GM (only 4 to go!). *Sudden Insane & Not-so* were the hosts.

There were plenty of stories from the weekend in Mackay and a few long-time no see-ers!

Erectus went to *Stacka-Man* for dropping ice on *Hemroid* & the POW to *Shocker* because the shirt did not smell 'manly' enough. She did not smell it at the start of the year... 🤔

A few announcements were made about upcoming runs, check the website for more details, cause I was not listening.

ON ON to Kirwan, to see *Tyre Fruck & InnerTube*. (It's only short as I have forgotten a fair bit and I have spent the day fishing and drinking! 😂)

ON ON, *Knicka-Less*

One for Booger

A barrister is cross-examining the coroner, who issued the death certificate.

Barrister – So, before you signed the death certificate, had you taken the man's pulse?

Coroner – No

Barrister – Well, then, did you listen for a heartbeat?

Coroner – I did not.

Barrister – Did you check for respiration? Breathing?

Coroner – Definitely not.

Barrister – Aha, so when you signed the death certificate, you did not, in fact, take any steps whatsoever to make sure the man was definitely dead, did you?

Coroner – Well, at the time I signed the death certificate, the man's brain was sitting in a jar on my desk. But I can see your point. For all I know, he could be out there practising law somewhere.

This photo was taken on 19 Nov 2007 at 11:58 at the old chimney at Fairfield waters – “No Shadow Day”. This was the last time we could get such a photo – Council sealed the entrance and top (for safety!!!). This Sunday, the 19th, we will meet at Gleeson Gardens, the main entrance on Thuringowa Dve, where Anneke Silver's “No Shadow” Sculptures are. See you there about 11:45 for 11:58, and after we will (probably) head to Kirwan Sports for an ale or so. On on, Sherlock and Blow Back

The owner of a Pharmacy walks into his shop and finds a bloke leaning against a wall. He walks over to the shop assistant and asks him, “What's with the guy over there by the wall?”

The shop assistant says, “Well, he came in here this morning to get something for his cough. I couldn't find the cough syrup, so I gave him an entire bottle of laxative.”

The owner says, “You idiot! You can't treat a cough with laxatives!”

“Oh yeah?” says the assistant. “Look at him, he's too afraid to cough!”
