Run Report - 2490 - Touch Up
6 Bailey Court, Rasmussen

Well things looked fairly gloomy before the start of **TOUCH-UP'S** well planned and well marked trail run and walk. Even the trailer refused to enter **HERCULE'S** swamp. But then, out of nowhere came the faithful pack, with bodies we hadn't seen for weeks. There was **PINK BITS**, **G-STRING**, and tag along **NATHAN NO-NAME**, and the conspicuous disappearance of **SC** who at least kept the beer cold. It was good to see our legends still filling the till and drinking the swill, and generally keeping up the numbers.

Well things looked fairly gloomy before the start of **TOUCH-UP'S** well planned and well marked trail run and walk. Even the trailer refused to enter **HERCULE'S** swamp. But then, out of nowhere came the faithful pack, with bodies we hadn't seen for weeks. There was **PINK BITS**, **G-STRING**, and tag along **NATHAN NO-NAME**, and the conspicuous disappearance of **SC** who at least kept the beer cold. It was good to see our legends still filling the till and drinking the swill, and generally keeping up the numbers.

Circle was called and down downs were had, with candidate **SERENITY** failing to give **TOUCH-UP** proper pick-up instructions for the booze wagon, and **BOT BOT** called up for the run report without doing the run. Everything on this run was out of the ordinary except for **BALLSY** and **SHAG** winning the raffles. With **PINK** in town this week it was only appropriate that **PINK BITS** received the **POW**, with **BALLSY** also accepting the **ERECTUS** from **SHAG** for just being a legend.

Nosh was called , and **HEMAROID** would have cried to see the mountainous feast laid out on offer. I think **TOUCH-UP** is starting up a food bank as he could be seen later in the night handing out food platters to **CUTTLEFISH** and **BENTABEAK**. (Another over-achiever award).

Well, this run will go down in history, for it's "no runners" run, it's second week running of dollar beers, and the announcement of **GUINNESS** for next week's Paddy Day's Run. A great sloshy night was had by all with everyone leaving full to the brim. Well done hares.

What does a house wear?
- A dress

Why couldn't the toilet paper cross the road
- Because it got stuck in a crack

On a personal note from me

From this point forward I wont be crushing my cans at hash any more
- Its soda pressing

I have been away with work at Defence Science and Technology Group in Melbourne for the last two weeks
- It was then that I finally worked out why the Chemists there are great at solving problems.
- It's because they have all the solutions
