## Run Report - 2493 - Pink Bits and G String

15 Peacock St, Condon

A good size pack gathered at Pinky and G String's abode. Good to see some of the NZ 'infected' hashers back, along with long time, no see Spinaker and Stakaman.

Our resident 'masochist' run/walk setter Shappens sent us off on the scent of 'shredded paper'!! Off we went through long, snake infested grass, ditches and stagnant water.

Walkers took a short cut, thanks Cuttle and were back and had consumed a number of beverages before the runners eventually found their way home.

Circle was called and the 'ice chair' was kept busy with Shatter, Cat Blew and Pink Bits enjoying the cool treat.

Innbread received a down down for his swollen black eye, "a bee sting"

he said, yeah right!!

Next time Innbread, get out the back door a lot faster mate.

Next up was 'Julian' Shappens for littering by throwing shredded paper all over Townsville

Shappens also received a free drink from Scissors for the grass up her arse, which was reinserted up his arse!

When Pink Bits and G String get old

Blowie and Copit have finally returned from wherever they went, good to see you Copit, and ah, hi Blowie. GM was presented with a can of Bogus Brew from their travels as well as a prize that Blowie won on St. Paddy's Day, a handful of 'sucked' mint leaves, good one Blowback.

POW shirt went from Notso to Copit, good mate you are NOT SO! Erectus went from Innbread (old bung eye) to Wart, for being lazy, not running.

### Raffle Winners

Unpopular - Touch Up, Booger, Serenity and Kung Poo Popular - Cat Blew Some add on Easter prizes donated by GM and Pink Bits

Some very nice nosh was up next and plenty of it, well done hares and a great night all round, lots of laughs and shit spread across the pack.

On On to Betty and BnD's

Scissors n Serenity

What's worse than waking up at a party and finding a penis drawn on your face?

- Finding out it was traced

I saw six men kicking and punching the mother-in-law. My neighbour said 'Are you going to help?'

-I said 'No, six should be enough.

Did you know that if you hold your ear up to a strangers leg you can actually hear them say "what the fuck are you doing?"
