Run Report - 2495 - Oral C

13 Myndee St, Vincent

Pack gathered at Myndee St for Run 2495.

Unfortunately I missed the run as I desperately needed to drop into Dans to pick up some great Shiraz that was on special, and whilst there I decided to drop into the Dalrymple for a schooner and a pint of Blackfish with Suds. Therefore I do not know much about the run or the walk except that the runners finished much earlier than the walkers.

Back to the On On and circle. Runners report and Trotters report was merged into the Rotters report, who claimed it was a great run and that they did not shortcut even though they came back within 15 minutes. Ewok I don't believe you can run 4.8km in 15 minutes so it all sounds like bullshit to me. The walkers claimed they did not get lost even though they took 45 minutes to do what was only a 2km walk. Lots of down downs for returned and misbehaving hashers and InnBread was enjoying the ice a little too much. Suzie Wong wanted free beer for all the hashers but the GM wasn't having a bar of it. POW went to Booga, because he said to Shappens that he don't want no short people round here. The Erectus was passed onto Scissors. The GM had a drink from travelling hashers from South America with a Mexican beer, think Hotfas geography knowledge needs updating. The raffle was won by a few lucky hashers and even a hasher's offspring drew her own ticket.

Nosh was a delicious serving of Tuna Pasta and Beef Pasta. We enjoyed a few more drinks before the pack gradually made their way home, most of them early in the night, but a few just didn't know when to piss off as usual until Booga gave us a bit of a hint and hooked up the trailer to his car and started driving home. Then I remembered that he was giving me a lift home so I jumped in the car as well.

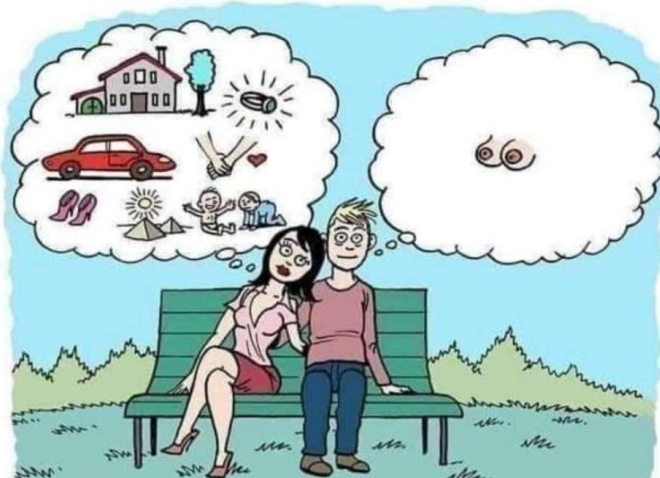

Another top night. Thanks Oral C and Spawn.

On On, MasterBates
