RUN REPORTS – [shappensh3@gmail.com](mailto:shappensh3@gmail.com) Ph: 0418 410 394  
send to Shit Happens– BY THURSDAY NIGHT PLEEZE

A good crowd turned up for the Vincent run at 12 Pocock St, Vincent

Yep, you got it right, not Myndee Street!

The pack set off on time and runners as usually bolted off, Trotters weren't far behind, while the walkers meandered along, chatting away to their hearts content.

Runners beat us home even after we supposedly took a 'short cut' as advised by Cuttlefish. Think we need to reset his compass. On On back home and overall the run was well set, well-marked and a very pleasant walk. Oh, did I mention the dark walkways with tripping hazards of HUGE palm fronds. A reminder it's that time again when we need to bring torches. Our life saver was Gumboot, only one with a light.

Circle was a laugh and the usual reports were done and we finished off the drink stop concoction. Thanks to B&D, I found myself being falsely nominated for GM but on the bright side, it got me a down-down. I'd call that Lucky cos things did get even better.

Prick of the Week – went to G-String for overachieving at the Cairns Run in Caldwell, winning the Best Dressed Male costume – The Clown, Congrats, it looked awesome! Erectus – yep Reky, a carry on from B&D, but thanks Scissors and for the bucket drink.

Ticket folding took on a whole different meaning for me that night. Being short, using the GM's platform to reach the ticket bucket, a good deed I thought...B&D thought I was aiming for higher things, GM status...ha ha ha – but that's not all, Scissors thought for no reason at all, she'd jump on the wagon too. Lucky me, another down-down and a gift of some sorts lol.

Then...GM thought I may as well do the run report, seeing I was aiming for higher places. So here it is and challenge accomplished, by the ticket folder ☺

Nosh – Tienielle you have out done yourself as the food was just delicious and many went back for seconds, mmm maybe thirds. Yummo!!! Thanks to you both, great night.! Some even left with hanging plants, so you excelled in your generosity.

A few more drinks were consumed to end another successful Monday hash night and the pack meandered off home.

Looking forward to seeing you all at next week's run at ... I'll have to look it up?!

On On  
Reky

**On Sec Note**

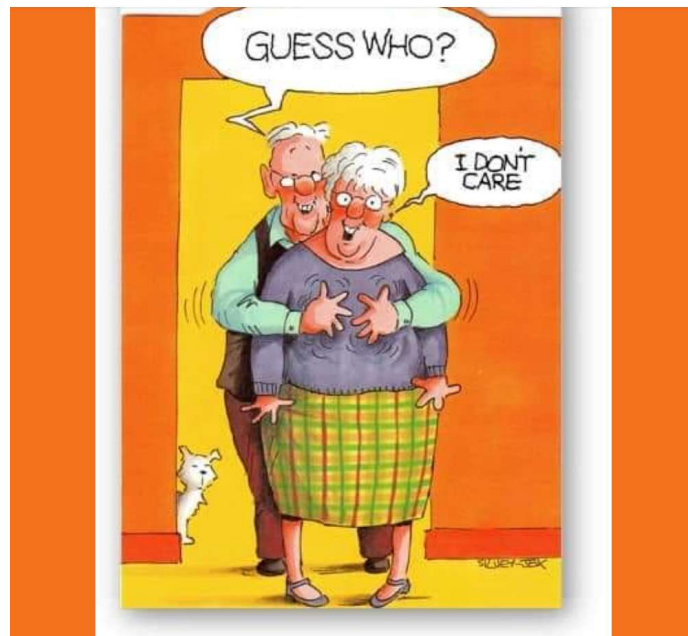

***I went back for thirds***
