Run Report - 2497 - Some Cunt

3 La Trobe Close, Douglas

Run 2497 (1st one after the last run and the one before the next run in 2024)

Date: 29 April 24

Start Time: 1800 Start, but it may have been a little before or a little after according to whose watch it was.

Finish Time: Sometime later, about sevenish or could've been before or after. Due to the fast runners and trotters it was earlier!!!!

Venue: 3 LaTrobe Close, Douglas. **Shappens** place, but it was **SC's** run. It's okay to park in this street.

Hare/s: Naturally: **SC**, with a little bit of help from some friends, namely **Shappens** and **Bot Bot**.

Weather: Cooler evening than we have been used to over the last few months

Adam came first we're led to believe.

Run: Yes, roads, paths with bitumen, concrete, a little grass between the road and the paths and threaded through the streets of Douglas, Douglas and Douglas. The runners got to the drink stop before the drinks arrived!

Type of Run: City type, you know, round the burbs with a bit of shiggy here and there. Not a lot though.

Walk: Yes, pretty much as above, but shorter.

Trotters: Yes, once again similar to the above, but not long and not short.

Walked into the garden and bumped into Eve

Trailer Sitters: Yes, there was a few and the trailer stayed there and wasn't stolen, unbelievable!! Then again it's not in Kirwan or Annandale. There were plenty of sirens around though, and you tended to think that this is the new Kirwan!!!!!!

Drink Stop: Yes, good stuff according to the pack.

Drinks at On On: Yes, plenty and nice and cold
With no one to show them

Circle: Yes, and it went well, just like the previous ones and probably going to be like the future ones.

Bullshit being Spoken: Yes, plenty as always.

Safety Officer Report: None tonight and none of late, but there probably should have been with one cooking tray on a lean like Mt Everest. Fortunately, no buttered chicken was spilt.

They found their own way

Virgins: NO, where the hell are they.

Visitors: Nil

Down Downs: Yes. Some concoction given by **SC**, either port or a red or orange!!!! But as stated by the pack, it was good stuff.

Most Down Downs: Can't remember, but probably the **Hasher** that had the most down, downs.....

Birthdays: None tonight as it was all taken care of last week.

Naming's: No

And that's the reason

Awards: No, none, nil, zilch, nothing, where the fuck are they.
MIA of late

POW: From one Hasher to another. (I forgot the moment) From **G String** though.

Erectus: Ditto ditto ditto ditto ditto (Ditto ditto ditto) From **Reky** though.

Icings: A couple, well deserved
We're singing today

TVH3 2500 Celebration Run Keep this date free

31 May 24 – 02 Jun 24

Charges: Yes, once again for a variety of **Hashers**, for a variety of reasons, but only a few

Down Down Songs: Mainly "Here's to theses pricks", with a couple of ditties thrown in, I think!!!!!!

Down Downs by Name: Some.

Raffles: Yes

Winners: Three of them, one got First, one got Second and one got last. From memory, I think first also won third.

Losers: Lots, including me

Nosh: Yes, of course and must have been good because some had seconds. It was cooked by a little bit of help from a friend. Sumptuous. Well done **Bot Bot**.

Yummy: Yes

Dessert: No, because it wasn't advertised on the three billboards outside Ebbing, Missouri. (What the f%#& has that got to do with dessert. Nothing!!!!!!)

Yummy: No because there wasn't any

Good Night: Yes, as always

For Sale: Nothing this week, although the trailer and addresses caused some concern prior to the run. There was a pair of Michael Jackson shoes doing the rounds with no tongue and definitely no sole.

Dementia: Some are getting close to it. Particularly tonight as there was forgetfulness from an assortment of the pack.

Even the **GM** welcomed us to run #: 2496, exactly the same numbered run as last week. WTF! If I've forgotten anything, which I have, then I'm also a candidate.

Thanks to the **Hare** and helpers, well done, another successful **Hash Night**

Fire: No, but getting close to having them. Got a gut feeling there will be one in a week or two

Knocked Up: No, no one at present that's in **Hash**, but probably plenty in the wider community. The **GM** stated that she is definitely closed up.
