## Run Report - 2498 - Sudds and Notso

### 15 Chauncy Crs Douglas

I am graced with this run report & again seems to be the case at this abode as I had the same duty for the same venue back when run 2380 occurred 21<sup>st</sup> February 2022.

The NQ Cowboys are struggling at present after looking great this week in the first 10, errors & discipline plaguing the side again, led them to going down down down to the Dolphins 28 to 26.

Sudden & Not So's faithful furry friend, was scuttled...on the leash for most of the night in order to stop him absconding to the dark of Douglas.

From all reports the run & walk was completed without incident, we see the light of day disappearing quickly these days. Time for the travellers to enjoy our fabulous winter I guess.

A few Hashers missing from the 30 odd, among the pack whom arrived on time....Yes **SHATTER** you made it by 6.02pm.

Sone non appearances to name a few "**HEMROID; MOTHER DUCK; SUZIE WONG; CATBLEW; SHIT HAPPENS**"; "**INN BREAD**" & a few more . Does any member know how much is the fine for no crash hat when riding a bicycle to a Monday TVH3 run occasion???

The **ERECTUS** passed from yours truly to the new runner who raced the clock to arrive on time, having forgotten to decloak completely, still wearing part of his costume from the stage play "Phantom of the Opera". Note: I am advised **CAPTAIN** has had this erectus award bestowed upon him 42 times apparently. **CAPTAIN** became a TVH3 legend on this same date 21/2/2022 mentioned above, clocking up the 1000 run achievement. Take care in the Philippines mate & don't forget to check how your "business venture is coming along"

Blowback announced a long time hasher "**FLOOR BANGER**" (aka Dave Brunton) from the TVH3 days gone by had left us, passing away in December 2023. Blowback was not joking with describing the helicopter act Floor Banger had developed let me tell you. Trust me to see it was an eye opener & something we will all never forget. R.I.P. **FLOOR BANGER**.

**PRICK OF THE WEEK** gifted from **SERENITY** to the **G.M.**, whooo man those testicles of yours are going to be cold in the coming weeks. I would get them acclimatised real quick.

Our 1st prize "Raffle" winner for the \$30 Dan Murphy's gift card was the ever entertaining **BLACK n DECKER** (casting my memory back , on the above mentioned date the PRICK OF THE WEEK award was gifted to **BLACK n DECKER** as raffle 1<sup>st</sup> prize... & at this same venue! Of course which Black n Deker received ever so graciously, not complaining at all.

Other raffle winners 2<sup>nd</sup> prize "**SELF ABUSE**" for the \$20 Dan Murphy's gift card, which he was stoked about let me tell you having only won a cock lolly pop in the last 5 years apparently. "**THINK BIG**" great work, took on the 3<sup>rd</sup> place drink tokens prize.

Nosh was dished & received with thanks to the cooks. Loved the Jalapeno's.

Good run / walk of about 4 to 6 kilometres

On On from Some C##T till next week at some place where you may require a cut lunch & water bag for the trip.
