Blow Back wrote this about Floor Banger

Hi Shap, Here are the details of Floor Banger that were given on Monday 6 May:

1st Run: #324 26 Sep 1983

Last Ran: #830 23 Nov 1992 (Runs around this time were attended by about 80-100 hashers every Monday

Total of 386 runs, Haring 25 times

He was: JM to Sherlock from 423 to 475 Run 450 was at Saltwater Ck in Nov '85

GM from 575 to 625 Run 600 was at Ollera Ck in Aug '88

Nash Hash Cash to Chair, Vasectomy Nash Hash Townsville was in Mar '89

On Sec to Stroker from 681 to 726 Run 700 was at "Kelly Country", Toonpan in Jun '90

Notable "incidents":

After we ran with "Jervis Bay", some of us returned to the boat where he jumped up onto the coffee table in the Officers Lounge and "performed" one of his "helicopters"

At the 550th at Bluewater Ck, on the Sunday morning had an "open-air shower" continually yelling for "assistance" from Flicka (from Cairns)

As a staunch monarchist he refused to go inside the Republic Hotel. He "succumbed" when he found out that they had an open-air section which meant he did not have to drink under their roof.

He was the centrefold in the 500th Mag in 1986 (attached)
