### Hash Trash from Wart

It's Monday night again and we gathered at Hotfa and Tyson's place. We where given a run briefing and off we went towards the river and around Sheriff Park and across Ross River Rd and into Anderson park, around Anderson park catching up on the walkers, half way round. One of the runners began three quarters around Anderson Park, to Whinging about having to go further just like a kid in the back of a car saying ARE WE There Yet? We exited the park at the Bowls Club and ventured across Ross River Rd into Waters st to a drink stop in front of Inbreads. place where we caught up with the Trotters. As we ran in Bot Bot handed a drink to Sh saying he does to me all the time so I decided to do it to him, Lollies and drinks where great and it was ON/ON to the River and back into Hotfa and Tyson's place. Many lies and drinks where had. The Row was given to Gumbosts for having phone ring on walk. Bit of double standards with the givers phone ringing in the Circle. The ~~fact of the week~~ <sup>Errectus</sup> I can not remember who the fuck got it. Wasn't many charges and the raffles where mostly won by Kirwan car pool and somecunt. All unpopular winners. Great NOSH as always and great company. All in All a great night was had

Thankyou for Hosting us  
Hotfa and Tyson  
ON/ON

### Note from Shappens

Not sure what font Wart used. I think it comes from the old days when we had pen licences

### Old Chinese Proverbs

Foolish man give wife grand piano. Wise man give wife upright organ

Man with hole in pocket feel cocky all day

Man who put chicken in freezer pull out stiff cock

### Serenity down the pub

I don't know if Facebook has ever caused the lame to walk, but it shure has caused the dumb to speak

Have you ever wondered what Not So does during her retirement

COFFEE IN HAND, SUPPLIES AT THE READY, ALIGE SETTLES IN, WAITING FOR THE FIRST TELEMARKETER TO GALL.
