Shocker and Orgasm

The pack slowly gathered after a terrific well organised weekend of hashing at Crystal Creek for our celebration run, maybe a bit hashed out but a good pack turned up for the next Hash instalment at Currajong Heights.

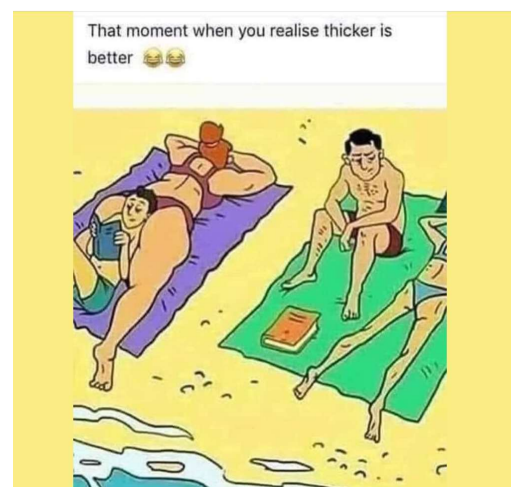

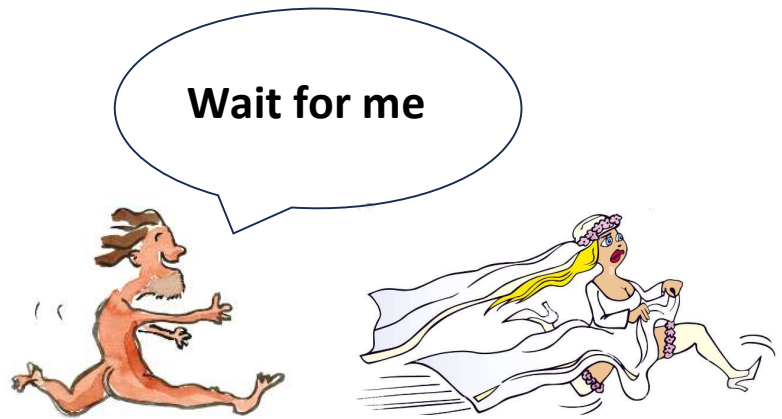

Wart, who set the run, sent the pack off at six, there were many versions of participants, runners, trotters, walkers, liliputians, pubbers and of course the keepers of the trailer stayed to ensure its safety. Quite a time later the pack returned to snackies lovingly prepared by the hosts. After many cleansing ales the circle was called, BnD gave a hilarious run report on the well set trail and there were quite a few charges from the weekend with a pair of high heels modelled by Wart taking a prominent place in proceedings. GM also welcomed some hashers returning to the kennel with Toolie and Gash in town along with Cods and Dammit up for a visit, Raffles were drawn and won, Touch Up not content winning the Dans voucher backed up winning the tokens and Benta Beak got the other Dans voucher and celebrated with his little dance, BnD passed the POW to Shocker with a funny lead up and Booger passed the Erectus to Shag who fancies himself as a new runner lol. The GM, who has finally come of age, was presented with the big birthday chair to go with her big girl pants that were presented previously.

The circle was closed and nosh was on, delectable gourmet sausages with beautifully prepared salads to finish off the night along with great company and cold beer

Top run, absolutely contender for BEST TRAIL and BEST HARE awards
