## Run Report - 2504 - Hercules and Oral C

6 Bailey Court, Rasmussen

No hash trash sent to me this week, so I have had to rely on my shitty memory.

What I do remember was it was a good run and a good night.

Last Monday was the Kings Birthday, but in Townsville Hash there is only one Birthday that matters and that was the GM's, hence the reason we did not partake in the Public Holiday like our Southern Counterparts. For most of our senior Hashers every day is a Public Holiday, so I guess it was a bit of a yawn to them.

We started off the run with an announcement of free drinks, hence the reason the runners made quick haste and blitzed the trail only to return to find out the beers had gone up by two bucks..... Dam it.

We had a good circle, I cannot remember who got the POW or Erectus, who won the raffles or when I went home.

At the end of the circle the GM was placed on ice and I was tasked to bake a cake for her.

After donning a Birthday Hat I got to work with the cake. Only the freshest ingredients for our GM. With the help of a few of my apprentice bakers we got to work and baked a cake for her on the premises (well on her head to be more precise). After being covered in shit the GM closed the circle and it was time to eat and drink.

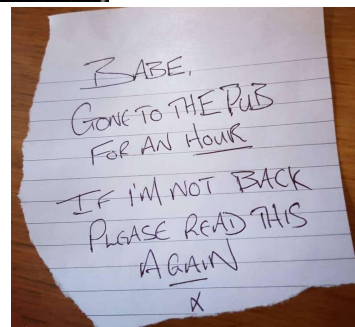

A huge thanks to Oral C for setting the run and Herc for feeding us. Another great night at TVH3. looking forward to the next run.
