RUN REPORTS – shappensh3@gmail.com Ph: 0418 410 394
send to Shit Happens– BY THURSDAY NIGHT PLEEZE

The pack arrived at Slash, Azaria and Pokher Run at Serenity and Sizzas place most heading for straight for the trailer to refresh before heading OnOn to run/walk.

Cat took charge of her hash winter job by being officer in charge of fire control. All arrived back to the trailer and fire.

Raffles and more drinks before the circle. POW went to shag for being new runner who hadn't run since the celebration run. And Erectis went to someone as I forgot who it was by the time I did the Run report.

Chargers from the floor, well I started it of by sitting booger on ice for smashing the bloody egg on my head and giving me concussion So on he went, with Sizzas slipping a secret egg under his Ass but the bloody egg didn't hatch.

Raffles were drawn, and the Harriets didn't stand a chance as all won by the bloody mens club we even had a few extra prizes and bugga me 6 bloody hash men took out all. Sizzas lost her voice, calling out unpopular winners. 6 times.

Any way that's all. Great night ,Nosh and company.

Today a man knocked on my door and asked for a small donation toward the local swimming pool. I gave him a glass of water
