Run Report - 2512 - Ballsy and Blow Back

9 Castellana St Cranbrook

The pack came in their droves to the Ballsy abode for another fun filled night of icing, swearing, drinking, drinking and more drinking.

The pack headed out around the streets of Cranbrook following chalk in every direction up streets, down streets around corners and eventually leading us all back home

A great run and walk had by all, even the ones that didn't follow trail and got lost.

When we returned from the streets of Cranbrook, we were greeted by Blowback handing out HOT spuds.

The GM called to the pack to order, but the fire pit was more appealing than listening to the GM. The GM bellowed "Come Closer, Come Closer, which everyone ignored as usual. Eventually the GM got her way, and the pack dis-assembled in a disorderly fashion.

We had a cast of thousands in the returning runners and visitor's category, can't remember a single name of any of them but they indulged in our free down downs.

Serenity was placed on ice again – not sure why, but well deserved

Birthdays this week Knickarless and Ballsey who celebrated by providing us cheap drinks.

Wet spot received her 200 runs shirt. Speaking of shirts Suds had the Prick of the Wee shirt bestowed upon him, not sure why but I'm sure he deserved it.

Bentabeak started a joke off with many throwing in their 2 bobs worth of funniness.

Erectus is still MIA and so is Azaria - best raffle prize ever, did anyone tell him he wasn't supposed to keep it???

Mash - A good feed of Corned Beef Sangers.
A good night and thanks to the Hares for putting up with us all

When someone recommends a book to me and says, "It's a page turner!" I say, "Yeah, I know how books work."

If you have a red wine stain on your carpet, get some white wine and drink it until you don't care anymore.
