send to Shit Happens– BY THURSDAY NIGHT PLEEZE

Here comes the Vibrant Vincent, crowded mob were sent off to dog park where the drink stop is, by their own choice of running, trotting, walking, and drinking at the trailer of course. Thanks for Oral C to mentioned where the drink stop is before the run start, it makes much easier to get there if get lost. Six runners were blast off and disappeared, assuming they did a big short cut somewhere and they got to the drink stop before the drink arrive. Three trotters were cruising around Currajong, Gulliver, and Vincent before heading to the drink stop where the bunch of walkers arrived about same time.

Erectus was handed to GM from Booger because GM's call to pick the lucky raffle draw as Azaria couldn't pick anyone in the previous week, obviously Booger was not happy for that. Hot 4 Male gave POW to Nextweek who turned up with work cloths apparently he was working hard that day and very good timing to arrive in the middle of the circle.

Desperate was on ice because he didn't think anyone would notice he was wearing Palm Creek Festival shirts instead of hash shirts.

Benta got a joke in as usual and everyone laughed. Then joke competition began. Touchup and Shatter were called, and intervened by Shocker as well.

Birthday song was sung by everyone, and also special song for engineer was sung by Shappens. Some were celebrate for their anniversary of wedding, and some were talking about divorce or separation, oh well so much drama in our life. Have a drink and be happy.

Raffle were won by harriettes trifecta. Woo hoo.

Great run, yummy nosh, and lots of fun had by all. Well done Oral C.

Reilly went to trial for armed robbery. The jury foreman came out and announced, 'Not guilty.'

'That's grand!' shouted Reilly. 'Does that mean I can keep the money?'

Paddy was driving home, drunk as a skunk, suddenly he has to swerve to avoid a tree, then another, then another.

A cop car pulls him over as he veers about all over the road. Paddy tells the cop about all the trees in the road.

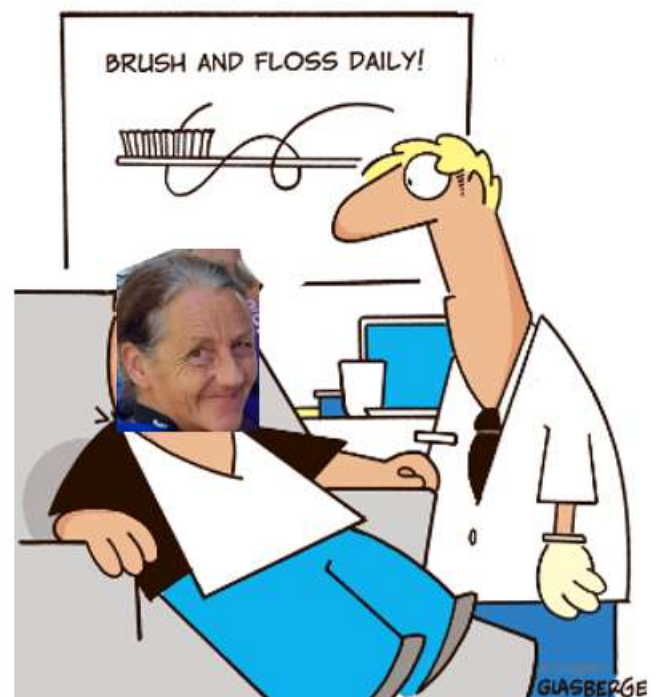

Cop says "For God's sake Paddy, that's your air freshener swinging about!"

An answer I can understand.....

An American tourist asks an Irishman: "Why do Scuba divers always fall backwards off their boats?"

To which the Irishman replies: "If they fell forwards, they'd still be in the bloody boat."
