RUN REPORTS – shappensh3@gmail.com Ph: 0418 410 394
send to Shit Happens– BY THURSDAY NIGHT PLEEZE

The crowd gathered in the leafy suburb of Kirwin Heights for run 2521.

With the runners and walkers covering a similar trail, runners in flour, walkers in chalk, the walkers didn't have to conquer any "shiggy", however, the runners(Wart, Ewok, and myself) had to enjoy the table drains of Kirwin without getting too wet. That did not happen for some, I miss judged the jump and ended up ass up in the muck. Apart from that, it wasn't a bad run at all.

The circle was entertaining, with some stories of Ewok's indiscretions after the red dress run and his laundry habits that followed.

The P.O.W was M.I.A, the Erectus was passed from Elise to her interpreter(Shappens).

There were two Hashers that were making their last appearance at TVH3 for the foreseeable future, Hotbox and Bangkok. They were given a traditional send off followed by a cleansing dip in the pool. We wish them well.

A good amount of down, downs were had and rightfully so! A good amount of nosh that went down quite well.

On On to next week.
