RUN REPORTS – [shappensh3@gmail.com](mailto:shappensh3@gmail.com) Ph: 0418 410 394  
send to Shit Happens– BY THURSDAY NIGHT PLEEZE

Well lovely evening in Gulliver, spooky theme for near Halloween, the hosts and many of the hashers wore their scary clothes, Slash was out with the camera so there should be some evidence. I think shocker was the scariest.

The run was well attended Wart the trail master was back so despite absence of chalk he telepathically steered us around the streets of Gulliver.

Bulk Bill decided to return from a long absence and ran with us, he tells us after 10 months of holidays he is the same weight as when he left. Circle was the normal Hercules making us laugh with her slapstick routines, Poor G String had the Erectus for the second time, this time he better keep an eye on it Haemorrhoid got the POTW shirt for making Mother Duck drive on Monday night despite it being her birthday, no idea how Ducks age but she still looks pretty good.

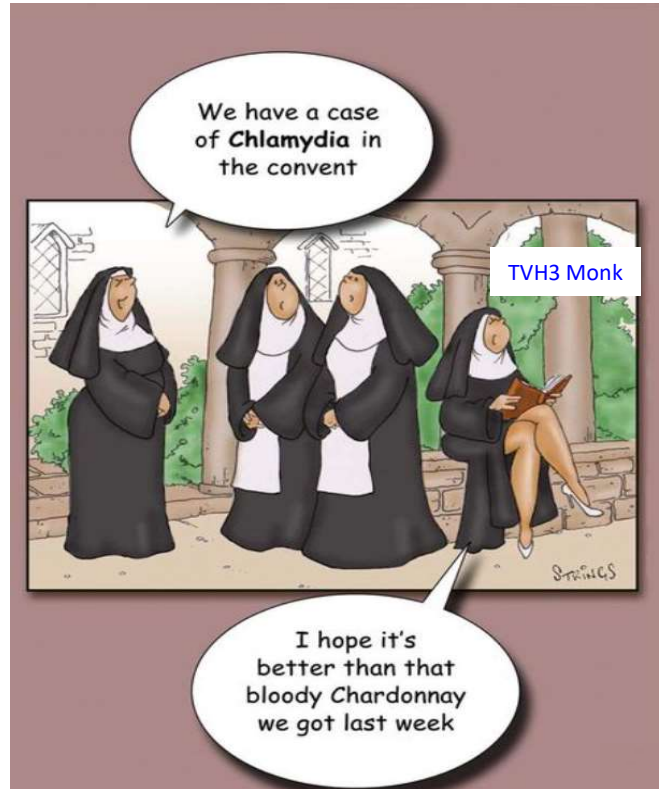

After Circle Nicolass supplied food and then went around with cake, I had a large slice of "low carb chocolate cake" at least that's what she called it. Pussy and I staggered home about 10pm On n on to the AGPU I'm thinking it will be Suds

## AGPU This Monday
