RUN REPORT 2549

There was a good turnout at Shappens and Bot Bot's place for the Easter Monday run.

Lots of early mingling, chatting and drinking, we had visitors from Canada along with our G String's sister Kathy and brother in law Tony again, great couple.

The GM set us all off with the runners being taken through creeks and gullies, with poor old Blowback nearly having an eye taken out with a chonky apple tree.

But there was a bright side to the walk/run, GM and BB had hidden some drink vouchers along the trails, eight in all, that were actually all found.

It was a good walk with the front leaders, the 'Spiders' I shall call them striding ahead into the darkness. Yeah, I know, "stop whinging Scissors". Well you spiders can "go fuck yourselves" Haha

It was quite a long walk ending in darkness along the path to home, have to remember our torches next time.

Arriving back at the trailer we were treated once again with G String's generosity with \$\$ being put on the bar. To add to that, his bro in law also put some \$\$ in as well, thanks guys.

There were lots of Easter treats with the drink vouchers on the trail, a free drink under some lucky bastard's chair and Hercules did an Easter Egg 'throw up'. Not literally fortunately, she threw eggs in the air and the winner was the one with the most found. There were three winners so they all got a drink, Gumboot, Nex Week and Mercedes.

We were delighted to see Orgasm and Shocker arrive with our newest little Harriette Mercedes, who will be turning three next month, we will have to think of a name for you Mercedes.

Circle called, Reefa donated a bottle of Philippine rum aka Moonshine for the down downs, thanks Reefa, he is off back to the Philippines for awhile.

Our Canadian visitors got up and told their tale of origin and were rewarded with a TVH3 patch and a calendar.

Kathy and Tony (G String's rellies) were also called up for a down down farewell and thanks for the beers, sure you don't want to move back to Townsville guys?

No POW or Erectus there so it was on to the raffles, at least there was one 'popular winner' Hotfa. Ballsy also won, he took out lots of free drinks on the night, 'unpopular' Ballsy, G String also won a raffle prize.

Hercules took over the circle so that the GM could go weave his magic in the kitchen. Herc was wearing a pair of knickers, on the outside of her shorts, of course. There was much debate as to where she had actually left them!!!!

Benta told another of his classic jokes but had some competition with Big Wetty telling his joke about Scissors and Serenity, again being the butt of his joke. I will have to check our place for hidden cameras, me thinks he knows too much??

Amazing nosh, as usual at SH and BB's run and lots of it, thanks guys.

Great night all round, On On to Think Big and Eldringo's abode for the ANZAC Day run.

Reminder!

As the weather begins to change, the evenings are getting darker, earlier. Remember to bring your torch/phone torch along to hash for when you walk/run.
