Run Report 2553 Teaser & Know Knob

The pack gathered in the South Townsville's Garden of Eden awaiting the ringing of the bell that Mother Duck managed to break.

Teaser then sent the Walkers, Twatters and Runners out the back gate and into the maze of laneways that cross back and forth throughout this heritage Suburb.

Wart led a small pack of runners across Boundary St and into the Port Environment Park before weaving our way back down to the Boat Ramp where we all gathered on the last Fishing Pier overlooking the Ross Island Barracks for a Drink Stop provided by Know Knob.

After a quick drink and a Pic from Hash Flash Slash with the near Full Moon in the background, the pack headed back to the trailer to be greeted with the news of \$1 drinks.

The GM called the circle and produced an Ice Tray that Know Knob & Booger occupied for most of the night.

Our Canadian friends returned for a 2nd visit and were serenaded with a few ditties.

The POW was awarded to Wart and Desperate retained the Erectus for losing it before the run started.

The raffle winners included SC, Wart, Booger and Suds (from last week).

Nosh was a very hearty Pea & Ham and Lentil soups that topped off a good night provided by our hosts Teaser and Know Knob.
