Run report for run 2558 on 16 June Hares: Booga n Big Wetty

We all gathered at Booga's place wondering if the forecast rain would actually eventuate tonight. We were hopeful cos it never rains at Booga's runs.

Big Wetty mounted the trailer and instructed the pack where to go. As we were all keen to celebrate Vegemite day, the runners, trotters and walkers dispersed eagerly. The usual keg minders kept the trailer close by.

Surprisingly the runners n trotters beat the walkers back, who were too keen to check out all the Kirwan burbs. The circle finally got under way, with GM's Yeti esky front and centre again.

The usual reports were provided by Bot Bot for the Trotters, Inn Bread, not much shiggy, and Catblew who didn't relish the loooong walk.

Sudden Insane, from Beer Hunter hash reported on the price of schooners once again.

Hashers who "have a life", and have been MIA were welcomed back: Cuttlefish, Catblew, Inn Bread, Orgasm, Captain, Pussy Lane and Touch up.

Run awards were presented to Inn Bread 150 runs and Knickaless 250 runs, who were reminded to "get a life".

We helped Touch Up celebrate his birthday last week with our lovely happy birthday song, F**k You! He shares his birthday with Donald Duck!

Plenty of charges including Gum Boot dobbing in Clitis when she was pulled over for a breathaliser, and Scissors trying to send us all to Aitkenvale for Catblew's next run.

Slash charged Azaria cos of his missing glasses last week, which were never missing, the glasses just stayed at home.

We all heard from Shatter about Inn Bread's accident in the work car, so IB enjoyed a looong sit on ice.

GM proudly showed off his 'Stolen by Shag and El Dringo' sticker. GM was so happy about it's return he decided to sit on ice on his Yeti esky.

Raffles were won by one popular winner, the scribe, an unpopular winner, Slash and very unpopular winner, Warty, ha,ha.....

Blowie couldn't make up his mind who should receive the POW shirt, so many came out for a drink, can't remember who?

The ultimate winners were Lilliput hash cos the GWS Giants sadly beat his Brisbane Lions. He couldn't find any Giants in TVH3, so he decided that Lucky Ducky, aka Mother Duck, would represent Lilliput hash.

The Erectus was MIA.

Circle finally closed and the pack enjoyed tasty lasagna.

Thanks and well done: Jenny, Booga and Big Wetty, beef stew and delicious vegetarian lasagna.
