Run 2555 Captains place

Waiting by the trailer
Feeling fine and larky oh
Captain comes right up to me
Says you'll look fine in lycra oh
For the runner numbers are dwindling
Come see the map I've written oh
A run in Vincent for you then
Be like a fine vacation oh
But it wasn't

On and on to Captains 6km run for the runners, 4 km walk for the walkers.
Nobody left behind.
Shappens MIA so circle left to Hercules.
Had some visitors from Broom in WA, Bobby and Cindy I think, don't know anything else about them except they were soon to be unemployed.
Poor Inn Bread was put on ice for some reason, he was saved because Hercules brought her new toy Geronimo. It looked like a gnome with a Willy, and she put it on ice!
No idea what Hercules was thinking but like Booger said "anything is a dildo if you're brave enough" Strangely enough she then received the Erectus from Wart, good night she had.
Anyway, Serenity was charged for having a birthday. The POTW went to Shatter for not having a birthday
The raffle wasn't won by Wart.
Captain's food was up to his normal standard and plenty of it.
Great night.
On and on to Hercules place next week
Kung Poo
