Run 2559 – Wart & Master Bates – Kirwan

Two weeks in row in popular Kirwan. There was no sign of rain and reasonably warm during the night so no fire was needed.

We were being watched from every angle, as there were so many security cameras at the property even in the bush dunny, just needed security guards to enter the premises, but we didn't need as we had beer guards at the front.

We have been safe and protected very well through the night, no one got stolen.

It was a very well marked trail but some were got lost due to few false trails along the way.

Anyhow, everyone made it to the drink stop at the nearby park and no one got missing and stolen.

The circle was held as usual time schedule. We had no visitors or virgin, but we had an iced chair which has been shared with some.

Erectus was MIA.

Mother Duck handed the POW to Big Wetty as Maroon beat the Blue and he is one of the biggest Blue supporters but also he winged that he missed a lift to drink stop without any walk, so he can enjoy actual walk next week.

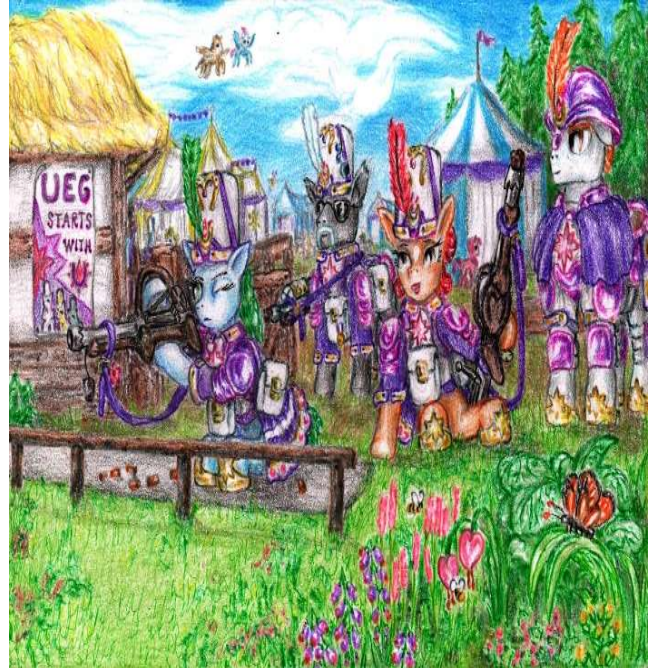

The Raffles were won by unpopular winners include Wart, and additional prize was won by me that's why I am writing this report. I was not prepared to do this but surely another great night had by all.

Well done hares, great run and nosh and of course a lot of beer was consumed by all and most importantly, no one got stolen.
