Run Report 2561

Under instruction to keep the 2561 run report short so as to leave room for the Celebration Run report. So, I won't mention the heaps of juicy chargers relating to the Celebration Run.

I won't mention the hashers joy at **Scissors** losing her voice.

And I won't mention The Rafflers sitting on ice, 6 draws -12 winners.

However, I will mention a special mention to **Cat Blew's** effort, setting trail, cooking nosh, putting on the run after arriving back from the Sunny Coast at 1.30 am Monday morning.

And then having to perform a postmortem after doggy minder **Oral C** killed the family pet.

I'll stop, by mentioning Great nosh, great night like usual.

Well done Cat !

Celebration Run Mention!

A good turn out of about 45 hashers from all over, Mackay, Cutlery, Cairns, Trinity, Coffs Harbour and even Tassie.

Weather was kind to us, balmy Friday night, followed by a lovely day Saturday for the hashers to enjoy the walk/run/twot through the bush.

Two drink stops kept them hydrated, first was the Pink Floyd team with Hercules looking very sexy in her boots and pink wig, and a nice pink bubbly concoction.

Names were drawn and prizes were won, then on on to the next drink stop, which was bloody brilliant. Knickaless and Oral C, donned in their Lab Assistant outfits serving up specimen bottles of, Pee and Poo!! And to add to that Booger 'donated' his specimen of P!!!

Again, more names drawn and prizes won along with some Chocolate Crackles.

Back to base and nibbles were dished out, followed by games, with our very own GM as Games Coordinator.

Hilarious was the Obstacle a thon race, along with the drinking game that Shag and Metro put great effort into, to no avail of course.

Next was the Circle, where to start?

Circle was commenced with a 'Welcome to Country' theme, even a smoking ceremony. Lots of arses on ice for a variety of reasons, if you were unfortunate enough to have a recent/upcoming Birthday.

G String received a long lost shirt in a very uncomfortable to wear state.

Kennel from Cutlery received a special gift from TVH3 for reaching 1000 runs, onya Kennel.

After the circle, everyone went to 'tart up' for the night.

Our dinner was amazing as usual with Chris and Maz, our Caterers.

Then the fun, drinking and fire were all lit up and we were even serenaded by Metro with his banjo and singing.

Sunday morning our raffle was drawn, obviously rigged as all three prizes went to TVH3.

Lucky Door prize was well received and Best Dressed was awarded to Knickaless, by our caterers.

A Great weekend, thanks to everyone who came along and especially those who put up their hand to help out.

On On till next year.

No words could describe this sight!!!
