Run Report 2562

Mother Duck & Hemroid's abode

Well, it was a cool evening as a good number of hashers strolled into MD & H's place.

Runner's set off and later reported being impressed with MD's run and said it was well marked. Make sure your life insurance is up to date for their next run though, having to cross the very busy highway.

Walkers also enjoyed their walk, well signed as well, but once again, crossing that highway!!! We nearly lost Cop It, but she obviously decided to put up with Blow Back for a while longer, because she dashed onto the footpath with seconds to spare and a cranky motorist 'horning' her.

Back to the trailer for nibbles, drinks and chatter, we were also treated to Hemroid's pumpkin soup as an entrée, very nice.

Circle called, our hare Hemroid was put on ice, can't remember what for? no doubt well deserved.

G String was also put on ice for the raffle chaos of the week before, no SC on Monday so he was spared.

Our resident GM of 'Beer Hunters Hash' reported on his nerve racking, 25 minute walk across the bridge back to the hare's place.

POW shirt went from Shocker to Serenity, simply because Shocker has had it a few times already this year. He had a good night old Shocker, won first prize in the raffle, I reckon that was a first for him, I even had to say "popular winner"!! But don't get excited harriers, that won't happen again.

Erectus still MIA.

Nosh served up, and in abundance, spaghetti, bolognaise, cheese, croutons and bread, well done Hares.
