RUN REPORT Run 2560

Hares: Slash, Azaria and Poke Her

Pack gathered at Campbell St, Serenity and Scissors Abode, for Run 2560 however they weren't the hares for the night.

I followed the GM of Beer Hunter Hash to the Townsville RSL for a round of beers, with the current GM and a past GM of Beer Hunter Hash, previously known as the B club.

Therefore I do not know much about the run or the walk except that the runners finished much earlier than the walkers.

Back to the On On and circle.
Runners, Trotters and Walkers reports given with the walkers reportedly getting lost as they followed Cuttlefish.

No wonder it took him 3 months to get back to Townsville after Freo Nash Hash with those navigation skills.

Lots of down downs for returned and misbehaving hashers with a few hashers enjoying the circle from the ice.
We even got a Wikipedia report on Gispert the founder of hash, given to us by Copit.

POW went to Serenity, given to him by Big Wetty after he informed us that tax time is such a time of serenity.

The Erectus was passed onto Nex Week. The raffle was won by a few lucky hashers and even a popular winner for once.

Nosh was a delicious serving of Chicken Spaghetti. We enjoyed a few more drinks before the pack gradually made their way home.

Another top night. Thanks Slash, Azaria and Poke Her.
