Run Report - Run 2524 - Clitis & Gumboot, Blue Lake Ct, Kirwan

At about 5.30 our mob of three Chauncyites (reduced from the usual four because of Notso's shagger's back problem) arrived at the haredom to be greeted by a very small group of hashers - even the trailer was still locked - causing tears to one nameless one!

Slowly the pack grew and, YEE-HAH, the trailer key also arrived!!!

On the dot of six the half-dozen Runners, unmatched pair of Trotters and five Walkers left the remaining Trailer Trashers to their own devices.

We headed off towards Tropics GC - but having "forgotten" our golf clubs we all turned away and headed towards Mt Louisa (hoping the hares weren't going to send us all over the top of it - which they obviously didn't!!!)

Tramping through the streets, alleyways, drains and associated bikeways and walkways we ended up back on Golf Links Drive, a few hundred metres or so north of the shops and cricket oval.

The trails were all well-marked.

Thanks, hares.

We headed south, past the shops until we found a side-track that took us onto Alpina PI (or was it All Penis PI - Ask Copit!!)

Anyway, that then took us back to Blue Lake Ct so we headed back to the bucket, where by now the pack had grown a bit, and it was now time to start drinking in earnest.

After the first drink the GM decided to celebrate Hash beginnings by calling dollar-drinks for the night.

The pack were quite satisfied with this concept and proceeded to imbibe until the circle was called.

Reports of the run, trot, walk, pub and trailer were given, the hares were thanked, Erectus was transferred to U-no-hoo, raffles were drawn and a few other charges were laid.

Then it was time for a pleasant nosh and a little more bullshit, before wandering homewards.
