RUN REPORT FOR RUN 2566

Lovely evening for a run so the hash gathered at Oral C's place in Vincent for some refreshments, oh, and a run.

Beer was cold and Oral sent the pack off, no map just fuck off right, there is a drink stop and follow trail, think you are setting a standard here Oral.

Must of worked coz they all found their way back to the bucket, guess they all knew the beer was cold, and nibbles were served. Many bevvies were consumed as the beer was cold and finally the GM called the circle.

The usual hapless charges were dished out and the ice was cold, raffles were drawn, Uncle Dans cards were won by Self Abuse and Think Big and tokens were eventually won by Cuttles and Benta who had to share them after a disputed draw.

By this stage my beer was EMPTY grrrrr, Benta forgot the erectus and Oral handed the POW to Hemroid for not having a drink, dry July in August, go figure, only you Hemroid but Mother Duck was grinning as she didn't have to drive for the first time in years.

Circle closed and nosh was on and the beer was cold, nosh was yummy and heaps of it, well done Oral and after goodbye's we all wandered off into the night back to our own abodes.

Good run Oral
