RUN REPORT – RED DRESS RUN

at Booger & Jenny's place

A BIG Thank You to the above for hosting our Inaugural RDR at their home.

We had 33 hashers turn up to support this year's charity, Ronald McDonald House.

Lots of 'frocked up' hashers/harriettes arrived, some quite disturbing but all in the spirit of this worthy charity.

GM gave everyone the plan for this year's run which was very different.

So, off they went, some walking, running and some driving to the various venues at the nearby Reading Cinema complex.

The newly opened Twin City Hotel was very welcoming and with their various eateries etc our eager collectors did quite well.

The hotel manager even took photos and was very friendly.

The surrounding eateries also were generous.

We had some visitors too from far and wide, Lost n Found from Canberra, our very own Sniper and Dolittle from Melbourne, along with Sniper's sister Katie.

Apparently, even our very own Sherlock was at the pub.

The hash trailer was provided for a drink stop with Wart and Big Wetty in charge, this was located at Supa Cheap Auto.

'Geographically challenged' Hotfa and Reky though had a bit of trouble finding it!!!

Also, our Hercules and Knickaless had interactions with (not that they seemed to mind) a penis and a scrotum at the pub. This had a 'happy ending' with generous donations from a local AFL club who were there celebrating a big win.

Back to Boogers for very tasty savoury bread muffins for nibbles, provided by Think Big.

Then it was into the 'free' piss, lots of story swapping and catching up with Sniper and Dolittle.

Circle called, visitors welcomed, walk/run reports given, trailer trash G String called up to give a report along with Suds our resident Beer Hunter Hash GM.

There were a few 'lucky' ice sitters, Serenti for fuck knows! and Shatter too for the same reason.

Next was Booger who got 'up close and personal' with his beloved lawn with some ice thrown in.

Suds was in the shit for taking too long to get Notso a drink at the pub.

There was a Lucky Door prize of a \$50 Dan's voucher won by 'popular winner' Gumbboot.

Then it was on on to nosh, which was plentiful and very nice, provided by TVH3 committee and others this year.

Thanks to Think Big, Booger & Jenny, Scissors, Hercules, Shappens and Catblew excelled her self with lots of delicious desserts.

All in all, a very successful, fun night for our first away (from a pub) red dress run. It is getting harder to find an affordable package of meal, venue and drinks. Which is why this run was trialled at a hasher's home.

Final figures are still being collated due to online donations but safe to say that it was a very successful collection for this charity.

Thank you to all the hashers that came along and shook their buckets and supported not only the charity but TVH3. Also a big thanks to some hashers who donated, even though they couldn't make it to the run.

And, by the way Booger, Bjorn from Abba, wants his boots back!!! Along with Mama Cass chasing after her dress too!!
