Run Report – Run 2572

At Orgasm & Shocker's place

Well, in the absence of a run report, I am writing this from Serenity's commentary!!

40 hashers arrived at Shocker's place to a 'no show' from the man himself. Shocker got home after everyone was back from the run/walk, still in yesterday's work clothes, apparently been working?

No run or walk marked so it was up to Wart and Cuttle to conjure up a Kirwan classic and they did well. Everyone arrived back at the same time, ready to quench their thirst.

The rafflers quickly fleeced everyone of their hard earned cash, another good result. From memory!!! Winners were, Kung Poo, Wart (no surprise there) and another lucky prick, all popular winners?? (Obviously I wasn't there!!)

Shocker put on ice for 'pretending' to be a hard worker and Hemroid for having early or not so 'early onset dementia'.

POW went to Kung Poo for fuck knows!
The Erectus was passed onto Dunny, a new but old runner, good to have you back Dunny.

We are missing Benta and his jokes, some poor substitutes in his place, but at least they're having a go.

Nosh arrived in the form of scrumptious pizzas after which they attempted to devour the trailer.

Thank you Orgasm, Mercedes and Shocker for hosting the run.
