Run Report – Run 2573

These may or may not be the facts of the Run held at Black N Deckers & Betty Barefoot's abode on Monday 29 Sep 2025.

Very Quiet night and small pack so not too much bullshit this week.

Two runners, a couple of twatters and only six or so walkers set off into the darkness and despite a bullshit burst of there isn't any shaggy, we the walkers soon come across a wet drain crossing.

Not too many problems for the majority of us except maybe Notso who needed some assistance from Rekky, but did eventually get across.

P.S. I am reliably informed that certain stepping stones which were placed by the hare had been removed by some unscrupulous bastards who may or may not have been running.

Well eventually after Notso has had to answer the call of the wild we were back on trail and disappearing into the darkness of the local suburbs and eventually On On back home after about 50 good minutes of walking.

Then it was back to Black N Deckers & Betty Barefoot's for super hot pies as usual and a few cleansing ales.

7.30pm and just like clockwork the pack is called to grab their Pannikins and form a circle by the eager JM.

Run reports called for with Cuttlefish delivering the walkers report "we just went round in a large circle".

Inn bred delivered some sermon from the book of war and peace which basically said "we went round in a large circle".

Blowie & Mother Duck delivered a trotters report without words which indicated "we went round in a large circle", with some short cuts.

Sudden Insane for Beerhunter hash advised of \$6.50 schooners drinking alone at the CenTen.

The circle continued with nil icings as there was no bastard there to ice. Very few charges, Clitus for faking putting his hand up and Booger for just being Booger.

Nil POW this week missing in action.

Nil Erectus.

Raffles conducted with Shatter & Mother Duck being the only prize winners I could remember.

Circle closed and all treated to a great Nosh, Thai Green Chicken curry, Curried sausages and rice, copious amounts of. They were trying to give it away.

All in all, good compact run, great nosh and not too bad a circle by our illustrious "stepping stone removing" GM, maybe one or two many froffies consumed before the circle, anyway good night had by all.

ON ON

Cheers, CLITUS
