Run 2593 – DDT

With storm clouds looming, ready to devour us whole, not many dared venture out for DDT's Run.

A short walk, they said, barely a stretch of the legs, though I was manning the drink stop, and they reached me quicker than expected.

Ewok stepped up as JM, with Shit Happens away playing a nursemaid role to Bot Bot after surgery.

Ballsy delivered the walkers' report, and with no twatters in sight, Mother Duck was forced to keep pace with the runners.

Pussy Lane led the charge, while Beer Hunters Sudden Insane and Booger wandered pub to pub— one with no beer on tap, the other too pricey... or maybe they were both expensive. Mondays are cruel like that.

Long time no see: Cumulingus, DDT, Teaser, faces returning like old stories resurfacing.

Just Brad (not Gary) showed again, maybe because I keep picking him up.

A long tale was spun about how DDT earned his name— and somehow, after all that talking, we still don't know!

Kung Poo's birthday came and went without him, so Mother Duck drank his drink in tribute. Teaser took up the mantle of Sargent_at Arms, keeping order in the delightful disorder.

DDT unearthed a relic — a photo album from a Red Dress run long past, memories stitched in glossy paper.

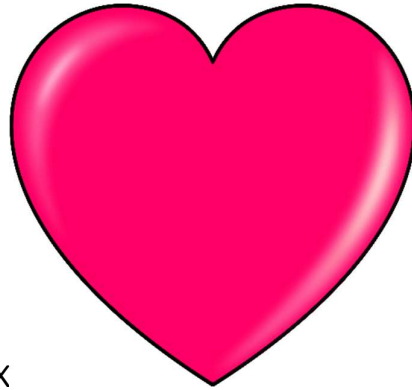

Raffle time: Ballsy the 'eye candy' with the winners being Teaser, Sudden Insane, Booger – a trio of mischief.

And in true DDT fashion, he dumped the whole bucket of tickets onto Ballsy's head, confettiing the lawn in chaotic celebration.

A night of storms, stories, and the strange magic of this mad little family – Townsville Hash never disappoints.

On On to Ballsy's place!
Knicka-Less

The run on March 2 at Hotfa and Tyson's place is a Memorial Run for Pokeher xx
