Run 2591 – Bot Bot & Shappens

Twas an overcast afternoon as the pack assembled at Bot Bot and Shappens 'almost' Landscaped Douglas abode, to find the drinks trailer propped up in the driveway and full of lovely cold beer.

We were all summoned to the courtyard out the back for the run instructions, some of us were more concerned about security of the trailer so stood guard out the front.

Instructions must have been issued as everybody tore past the trailer and headed out up the road.

Hashers started returning after awhile with all sorts of stories about the run, Suds AKA Beerhunter hash got dropped off by Sherlock.

Poo was sporting some injuries with some explanation about trying to be a lumberjack but the tree won, and the Mooners came back with a glow on.

After some time the circle was called to the tune of some magnificent men in their flying machines (typical raffie).

GM was in fine form after too much moonshine (red wine) and welcomed returning runner Wetspot who we haven't seen for yonks.

Poo did some traditional SA dance, was sort of like a cross between Steady Eddie getting up for a bag of chips at the dance and Mr Whippy having a shit.

Ewok gave a run report and reckoned the run was alright, Beer Hunter reported schooners were \$7.70 at Riverview tav, while Blowie tried to convince us that the street light behind a tree was the full moon.

Explanations were given about Hashers names, turns out Kung Poo was shit at martial arts.

Pick Up got picked up by some bloke in a pick up and Think Big likes Kiwi horses.

Shatter was shattered by his name after breaking the old erectus, and Pussy's pussy box was smashed by Poo and she's not game to look.

Trainee GM Self Abuse, did a great job of Sgt at Arms with Not So on ice for something, didn't shut her up though.

Captain was celebrating 1171 runs for some reason and put some money on the trailer (thanks) and Benta told a good joke for a change.

There was a heap of charges that made for a few laughs, Big Wettle, Dunny and a few others got a drink, no sign of erectus or the POW shirt. Raffles were up and Cat, Suds and of course bloody Wart were lucky winners.

Circle closed and nosh was on, another of Shappens Malaysian Miracles and plenty of it. After all that excitement and with full bellies we all headed off to our own digs.

Great night out Hashing as usual
