Run 2596 at Betty Barefoot and Black and Decker's place

At 6pm sharp and **B&D** sends the fearless Hash rabble out under a threatening sky with the possibility of a monsoon downpour, and 100 percent humidity, without marked trail.

Huh ! B&D has a plan. For something different, our trail masters had to lead us to street library boxes. Each box offering us clues to find our way back to the bucket.

A rescue mission had to be sent out to retrieve two heat affected Lilly Put Harriettes. Otherwise, we all returned, and the rain held off.

It was a large pack circled up by the GM. Just as well as half of Townsville hash lined up for shirts & patches celebrating individual milestone runs. List of awardee's were; **Hercules 600, Hotfa 900, B&D 700 Thing Big 150, Sum C**t 350, Reky 550, Touch Up 750, El Dringo 850, Cuttlefish 1050, Ewok 1150.**

No show POW
Erectus **Blotto.....Not Garry**
I coped a charge from **Serenity** blaming me for a chaffed arse from the **Graze Your Arse on the Grass Race at Pokehers Memorial Run.**

I'd like to take this opportunity to thank the race caller **El Dringo, Ballsy the Bookmaker** and especially **Serenity, Inn Bread, Sum C**t, Booger, Shag & Not Garry** for dropping their daks and participating in the race. It was an absolute hoot and made the night. The result of the raffle's 3 lucky winners and 37 pissed off losers. Nosh was exceptional as always at Kitchener road.

**GOOD NIGHT >GOOD COMPANY
ON ON SLASH**
