Run 2599 – Shocker & Orgasm

Well, we all found our way to Shocker & Orgasm's new abode in downtown Currajong. Shocker sent the pack off on time, fortunately the chance of rain was "unlikely" not like the previous week. The pack split into the usual keg minders, beer hunters, walkers, short stroll around the blockers, trotters and runners depending on your energy level, latest war wounds or thirst.

We all found our way back to Tippet Street, and were treated to tasty savoury nibbles. Circle started with a repertoire of songs for the Hares. Ballsy proudly singing to all the songs. How does he know all those words? Bring back the Choir master! Shocker and Orgasm provided us with explanations of their names, tho I reckon Shocker was bull shitting!

Runners report provided by Kung Poo described the run as "bizarre" and spoke of crawling around, needing to check the map, then some mention of "bizarre" old cars parked in the neighborhood yards...

Self Abuse reported that the walk was short and sweet, no doubt keen to return to the trailer. Sudden Insane gave a his CPI index of beer prices at the Centen. Not good news! We need to start drinking earlier: before 6 it's \$7.60, then it's up to \$9

Blowie informed us of our other hash activities: Full Moon hash at the RSL on Thursday and Peddlars starting from the Vale, for a change, this Saturday.

Poor Dringo mistook GM's request to Benta to "send them off" and started with a ditty. GM was charged by Gum Boot for losing his phone one too many times, only to be found

his bag. Black n Decker commented on "Dementia settling into the pack" and a check is needed. Is he gunna do the check? Sargeant at Arms was Shatter. He strutted out and promptly told all the pack to "shut the F**K up" cos he was talking now. Birthday candidates for the week presented for a drink. Alas, most were absent so substitutes were called for: Benta for Soft n Creamy, something about "ball bags". Then Touchup for Betty, B n D was called but claimed it's not his birthday. When is it B n D? Lastly Blowback substituted for Grizzley. Who needs Spec Savers..... POW was handed over to Copit, I dunno why? Erectus is MIA, but hopefully safe in Suzie Wong's hands. When are you cumming back Suzie?

Raffles were drawn and only the blue tix appeared, hmmm. Firstly, Serenity got \$30 voucher, unpopular winner, Master Bates got \$20 voucher, another unpopular winner, then Cat Blew got the Tokens. Cat reckoned all the raffle winners were "C**TS" Nosh was served, tasty spaghetti, eagerly devoured by the pack, with many returning for seconds or

Thanks Shocker and Orgasm for a great night & showing us the sights of Currajong. **ON ON** for Think Big, Slash & Azaria's run.
