## Run 2602 – Think Big & El Dringo

On the stroke of 6pm, **El Dringo** ordered the Walkers, Twatters & Fearless Runners to negotiate the **Deja vu run**.

**El Dringo** had plagiarised **Slash's** run from the previous week without having to lay a single stroke of chalk. No, I tell a lie, one single arrow by passing the previous week's drink stop. Straight home without a single drop of moisture and what a fine run it was, shiggy, slim, water crossings & bush.

Excellent **Slash** (I mean **EL Dringo**)

On arrival back at Hopkins St, and **Think Big's** culinary delights were waiting for us. Hot potato fritters & cold watermelon were quickly devoured.

Sadly, the GM was missing in action due to a family crisis and the relieving GM **Shit Happens** backed up with his former partner Hilarious **Hercules** to officiate the night's proceedings, without our customary magical musical encores.

A heap of not seen for a while Hashers were called up & subjected to gallons of terrible Tun.

**Suzie** handed out TVH3 Inter Hash shirts to the lucky buggers going to Indonesia.

**POW** shirt still on loan with **Twitter**.

**Suzie** handed the **Erectus** to **Shocker**.

Who gives 2 farts who won, if you didn't win the raffle.

There needs to be an award for consistent spectacular **Nosh**.

Well done again **Think Big**

On On
