Run 2603 – Teaser & Know Knob

It was a steamy evening as the long-awaited sea breeze slowly crept into TEASER and KNOW KNOB'S South Townsville animal and vegetable farmlet.

Sufficient poisons were made available for the eradication of the dreaded midges and mosquitoes.

The pack quickly swelled to near 40 with comer-backers and southern visitors adding to the rabble. And what a rabble it was!! Teaser gave the orders for the run and then the quiet around the trailer set in.

Most attendees flocked off on a run or a twat or a walk, and actually enjoyed the serenity of their neighbourhood.

A quenching drink stop was welcome with ample supplies for the circle later.

Everyone seemed thirsty on their return and the trailer quickly lowered it's contents into the frenzied pack. The noisy crowd continued until the circle was called and GM CLITUS powered up the matching music for the bewildered hares.

The powerbroker at arms was given to BLACK N DECKER whose mum had never shown him how to wear a coat. It was quite fitting as he wore it like a straight jacket.

The POW was presented to ORAL-C for who knows what, and the ERECTUS was mistakenly given to SERENITY for his chatting on the run.

Birthday down downs were celebrated, and a special Phillipino brew was donated to the GM for his selective beer taste.

"Lovely" I think I heard him say.

A commemorative moment moved the circle when one and all joined in and recited the ode to the ANZACS.

KUNG POO even blew a couple of chords out of the bugle.

After the raffles were drawn there were only three people left smiling, until TEASER hauled out the feast of the plenty.

Everyone enjoyed the fare with many lining up for seconds. I think it all came out of their garden, including the ham.

The late mail was concerning with INN-BREAD blowing his appendix and in hospital, but all turned out OK and he is now recovering at home. What a way to get out of a run.

He might even lose a few kilos on the side.

A whopping crowd, a pleasant run, some great company and bullshit thrown in, lots of delicious nosh and plenty of old fashioned cold beer, made for an excellent night, and one that nobody wanted to leave.

We had to lock the trailer to get rid of the stragglers.

Well done TEASER and KNOW KNOB

ON ON to tomorrow at Ewok & Streaka's place, right next door to Inn Bread so three hares for this run.

SERENITY

Inn Bread?? Someone give that man a beer!
