## **RUN 2607 – Shatter & Blowback**

Pack gathered at Shatters Abode, for Run 2607. Instructions were given by Shatter for the run and walk but I wasn't listening so I did like Booga at the Interhash Ball Breaker and ran straight to the finish which was luckily not far from the start.

Back to the On On and circle.

The hares were introduced to sounds of "Walking on (Broken) Shattered Glass".

Runners, Trotters and Walkers reports given saying there went there then there then over there before coming back here.

A few down downs for returned hashers from Interhash and also other misbehaving hashers.

The Erectus was passed onto Big Wetty from Shag for short cutting on the walk or some bullshit like that.

The raffle was won by a few lucky hashers including one who will be now buying cartons of clean skins after winning the \$20 Dan Murphy's voucher two weeks in a row!!

Nosh was a delicious serving of beef pasta and garlic bread. We enjoyed a few more drinks before the pack gradually made their way home.

Another top night.

Thanks Shatter and Blowback

**Some of our misbehaving hashers!!**
